It is the 6th anniversary of our Japanese- style "Sports Festival", the largest event of Nishiyamato Academy Saturday school. At Nishiyamato Academy Sports Festival, preschoolers and students from the three school campuses gather only once a year and unite their hearts through competition and performance.

With the energy and enthusiasm of our children, we aim to create an athletic event with you that will greatly enhance the Nikkei community here in Southern California.

We are grateful for your donation and look forward to receiving support from as many people as possible for the success of the event.
