Frequently asked questions

When should I start using my new account number?

You should begin using your new U.S. Bank routing number and account number on May 30 for your personal banking transactions.

Do I need to order new checks?

You may continue to use your existing Union Bank checks until your supply runs out. New U.S. Bank checks can be ordered starting June 2. When it's time to order new checks, please call the Japanese Customer Service Unit using the number you've always used, and they will assist you with ordering new checks. As a valued new customer of U.S. Bank, we are offering a 50% discount on your initial box of personal checks.

Will my payroll direct deposit or my pre-established automatic debits and/or credits continue?

Most automated transactions will continue. U.S. Bank will automatically notify financial institutions originating direct deposit and other automatic debit or credit transactions to your account of the new U.S. Bank routing number and your new account number. However, please note that based on our notification, the originator of your automatic debit or credit transaction may contact you to verify the changes and ask you to complete new paperwork to have the automatic transaction continue. We recommend that you contact the originator once you receive your new routing number and account number and inform them of the changes effective May 30, to eliminate possible disruption in automated transaction processing.

What will happen to my Union Bank Debit and/or ATM Card?

Continue to use your current Union Bank Debit and/or ATM Card until you receive your new U.S. Bank Debit and/or ATM Card. You should receive your new card by July 15. Your Union Bank Debit and/or ATM Card will stop working on August 1, or when you activate your new U.S. Bank Debit and/or ATM Card, whichever comes first. **Your existing Personal Identification Number (PIN) will not change.**

If you do not receive your new card by July 15, please call your Japanese Customer Service Unit using the number you've always used.

Where can I find additional information on my new account(s), including features, benefits and fees?

Your U.S. Bank Account Conversion Packet was mailed to you mid-April and is available at usbank.com/ja/union-bank. Please review these materials for additional detailed information on your new account(s).

Some materials and services may only be available in English.
