I have attached instructions on how to register online and print temporary ID cards as well as our mobile app flyer. Members should have access to register within 24-48 hours.

NOTE: You will need to add the required alpha prefix to your member ID number.

For HMO plans use prefix XEH.

For PPO plans use prefix XEA.

(For Example: XEH99988878, XEA 99988877)

You will also need to allow for an additional 24-48 hours for the pharmacy load, and the pharmacist may request the information provided below in addition to your member ID number.
